Evidence: Cases, Commentary, and Problems [Connected ...

Evidence: Cases, Commentary, and Problems offers comprehensive coverage of the topics and concepts central to evidence law, while remaining concise enough to cover in a four-unit course. Organized around the Federal Rules of Evidence, with carefully edited cases, thought-provoking problems, and a wide variety of secondary material, this casebook gives students a solid foundation in the principles and debates surrounding evidence law without the confusion of more encyclopedic approaches.
